PRINCIPAL'S REPORT

Maintenance Works Upgrade

As mentioned in a number of our Newsletters last year, the school was allocated $725,000 for maintenance work and $2.5 million for capital works from the 2016 State Budget. As a result of Minister Merlino then announcing that the school will be relocated in the near future to Armstrong Creek, the Government withdrew the $2.5 million but allowed the school to keep the $725,000 to spend on improving the learning environment of the school. We have finalised the spending of this money with DET and our architects 3iD. By the end of Term One it is anticipated that we will have replaced all of the old metal lockers in the school with new plastic lockers, together with fitting out with new chairs and tables in most classrooms. Classrooms that didn't get re-carpeted in the last scope of works will get new carpet. New outdoor furniture will be available for students use and approximately twelve learning spaces will have subject specific wall displays incorporated to further inspire learning. This will be an exciting time for our students and staff as they have improved learning spaces to work and be educated in, prior to our move to Armstrong Creek when they will access to a modern state of the art facility. I will keep the school community informed around the progress of these works in future newsletters.

Bob Hillman

Year 12 students and their parents have the opportunity on **Tuesday 28th February** to listen to English Chief Examiner Bob Hillman discuss the secrets of being successful in VCE. I have heard Bob speak for the past four years and he has always left the audience with a very clear but powerful message about how to achieve success in VCE.

Many of our Year 12 students are in a terrific position to achieve very good results at the end of the year after undertaking a Unit 3-4 sequence in 2016 and the large majority achieving results in the subjects studied well above the state average of 30. Many of the students achieved results well into the high 30s with a number of students achieving results in the 40s placing them in the top eight percent of students in the state.

Swimming Sports

It was great to see so many students in attendance at and participating in the House swimming sports on Monday 13th February at Kardinia Pool. Well done to all involved and especially Mr Craig Feaver who organised the sports. Results of the swimming sports including the champion House and age group champions will be announced at the next whole school assembly.

School Council February Meeting

Jan Gregor has been a parent representative on School Council for the past six years and with her youngest son Harry finishing Year 12 in 2016, she has indicated that she won't be continuing on School Council in 2017. Can I acknowledge and thank Jan for her insight and advocating of the school during the time she has been associated with the School Council.

As part of the February School Council meeting, the 2017 Annual Implementation Plan (AIP) was ratified. Despite the fact that the school has achieved excellent VCE results and NAPLAN growth rates for students over the past few years, the school will always be aiming to improve and 'go one better'. As part of our AIP we have set challenging targets with strategies that will allow students attending the school to improve academically (no matter what their ability level) at a faster rate than is occurring across the state in literacy and numeracy. This will continue to be supported by wellbeing programs that allow our students to have a strong social conscience and to support each other in their learning.

School Council Election Nominations

It is very pleasing that we had three parents nominate themselves as candidates to fill the three parent member vacancies that we have on the Oberon High School Council. I am pleased that Craig Wood-Burgess will continue as a parent representative and will be joined by John Brown and Greg Burgess. John and Greg both have students starting Year 7 at Oberon High School.

School Visitors

A reminder that Parents/Guardians must report to the main office when they come onto the school grounds for a meeting, to pick up your child for an appointment or any other reason. Your adherence to this protocol is appreciated.

DET Policy on Personal Items

A reminder that the Department of Education and Training does **not** hold insurance nor does it accept responsibility for private property brought to school by students, staff and visitors.

School Camps

The school encourages parents to consider taking out travel insurance for school camps as schools often incur a cancellation fee that we are not able to absorb if your child is forced to withdraw due to unforeseen circumstances.

Student Safety

Student safety is always a concern around drop off in the morning and pick up in the afternoon. Please be careful when dropping students off at school and collecting them at the end of the day and abide by the 40kmh speed limit. It would be appreciated if parents could drop their children in Kidman Avenue and avoid dropping students off and picking them up in the staff parking area both before and after school. The streets around Pickett Crescent and Olwen Avenue become very congested and student safety becomes an issue as many of our students exit the school from this entrance on foot or bikes. If your son/daughter is riding a bike to school they need to wear a helmet for their safety as this is the law.

WORLDS GREATEST SHAVE

Our first whole school community service activity for 2017 will be fundraising for the Leukaemia Foundation to help raise money to continue research into finding a cure for cancer and to help provide support for those people suffering from cancer. The students in the Year 7A Enhancement Program are planning, organising and hosting the day.

World's Greatest Shave will be happening on **Thursday 30th March.** This will be a Casual Dress Day **(gold coin donation please)** with entertainment, BBQ lunch and cold drinks sold at lunchtime (Students will be advised of prices closer to the event.) We will also be running an Easter Hamper Raffle to be drawn on this day. A highlight of the event for students will be the 'Dunk Tank' starring Mr McMahon and Mr Baker.

Via the Student Bulletin, email and at a Whole School Assembly I have asked that students who are passionate about supporting this fundraising event, and are prepared for their hair to be shaved (number 1 cut) to please see me in Staffroom 1. Of course students will need to have parent permission to participate and if they are not brave enough (or not allowed) to shave then sponsoring other students is the best way to be involved. Last year we raised a staggering $4,500 so we know our goal of $2000 this year is very possible. Please note that qualified hairdressers are responsible for the hair cutting.

Any questions or to collect a permission form please see Carole Fisher in Staffroom 1 or contact me on 5243 4444.

Donations of chocolates, lollies, vouchers or other suitable items would be greatly appreciated for the raffle hampers. These can be left at the office or given directly to Ms Fisher.

Thank you on behalf of Year 7 Enhancement class

VCE NEWS

YEAR 12 PARENT/STUDENT EVENING
BOB HILLMAN - CHIEF EXAMINER ENGLISH
OBERON SCHOOL LIBRARY 6.30 PM FOR 7 PM START
TUESDAY 28TH FEBRUARY, 2017

Our Year 12 students have had a good start to their year as a result of their VCE Year 12 Orientation program last year and preparation undertaken during the holidays.

To assist students in planning for this year, we have invited VCE Chief Examiner Bob Hillman to speak with parents and Year 12 students in the School Library on **Tuesday 28th February - (6.30 pm for a 7 pm start).**

Bob is a dynamic speaker who delivers some real insights into VCE assessment and will outline preparation strategies for your child's year ahead. He reinforces how parents can support their child in this stressful year.

This presentation will take place in our Library with Bob beginning at 7 pm sharp and speaking for approximately 1 ½ hours.

Additionally, during Term 1, Year 12 students will have opportunities to participate in a presentation by Darren Perreira, (**Friday 17th March**, Periods 1-3), on the topic of VCE success strategies, and to have a Careers pathways interview to discuss future study options and employment. This reassures students they have appropriate study prerequisites and a range of pathways into their careers and beyond school.

These interviews support your child in readiness for the VTAC University and TAFE application process which begins in August.

We look forward to seeing you at this special event.

YEAR 10 INDONESIAN TRIP 2017

Plans are underway for this year's trip to Yogyakarta, Central Java, Indonesia for our Year 10 students. The trip, in the last 2 weeks of Term 3 (11-22 September) will include visits to Borobudur and Prambanan temples and a sister school visit to SMA Muhammadiya 1 as well as cultural activities such as batik, pencak silat and wayang kulit. All types of local transport like becak and andong will be used as well as bargaining in the market place. This is a wonderful opportunity to use Indonesian language everyday and experience life in a cultural bustling city. Parents are encouraged to contact Bu Nicola Maher for more details. We hope to have airfares booked in 2 weeks time.

CAREERS NEWS

CAN YOU HELP?

Can you help our students in Year 10, VCE and VCAL by hosting them for a work experience or structured work placement?

Many past Oberon students and parent/guardians of current students have established themselves as very successful small business owners in many different trades and occupations, while others are in positions of management in many Geelong businesses where they may be able to offer work placement opportunities.

If you fall into either one of these categories the Careers team at Oberon would really like to hear from you.

Would you be prepared to come back to school to speak with our VCE or VCAL students about your working life and the experiences that you have had since leaving school to inspire our students of today? Or are you, through your business, able to offer a work placement opportunity?
Our Year 10 students are able to do a 5 day work experience placement any time during terms 2, 3 and 4.

Our VCAL students are encouraged to go into the work place one day each week on a Thursday from mid Term 1 until the end of Term 3 so that they can meet the Work Related Skills requirements for their VCAL Certificate at either Intermediate (Yr11) or Senior (Yr12) level.

Many of the VCAL students at Year 11 are undertaking VET Level 2 and 3 Certificates as part of their studies, a number of Year 12s have completed these qualifications already, so depending on the nature of the job opportunity they can go into the work place with an above average level of skill and understanding of the job requirements.

Although we have a very good data base of employers that have hosted our students in the past and we encourage the students to source their own placement where possible as part of this process, we are always looking for, or asked to find, that special one that you may be able to provide.

If you would like to assist with our Careers or Work Placement Program please contact Wayne Lynch in the Careers/Pathways area of the school.

IMPORTANT NOTICE TO PARENTS - SICK BAY

If your son or daughter becomes unwell at school they need to ask their teacher to give them a note and come straight to the Office to be signed into Sick Bay. If the student is too unwell to remain at school a staff member in the office will then telephone a parent. **For safety reasons it is important for students not to telephone their parents themselves.** Please remind your son or daughter that Sick Bay is a place for sick students to rest before being picked up by a parent or to rest for 15 minutes before returning to class. It is not a place for extended stays. It is vitally important for parents to provide up to date contact numbers and emergency numbers in case of illness or emergency.

Please remember that if your child is sick the best place for them to recover is at home.

STUDENT ABSENCES

A reminder to all parents of the importance of phoning in absences early on the day of your child's absence. For your convenience you can leave a message on our absence number 0439 326 767.
Our SMS system will send a message out each day after 12 pm to those parents whose child is absent from class without notification. Parents can text or phone the absence number on 0439 326 767 and state the date, student's full name and reason for absence.

LATE PASSES

If your child arrives late to school they must first report to the Assistant Principal's Office with a note signed by a Parent or Guardian or they can state that a parent has phoned the school.

EARLY LEAVE PASSES

If your child needs to leave school for an appointment during the day they **must** report to the General Office with a note signed by a Parent or Guardian. If no note is provided the office staff will check if a parent has phoned the school. For your convenience you can leave a message on our absence line 0439 326 767. Alternatively if you prefer you can phone the school number 5243 4444 to advise that your child needs to leave school early. To assist Office staff please phone as early as possible to allow plenty of time to pass the message to your son or daughter.

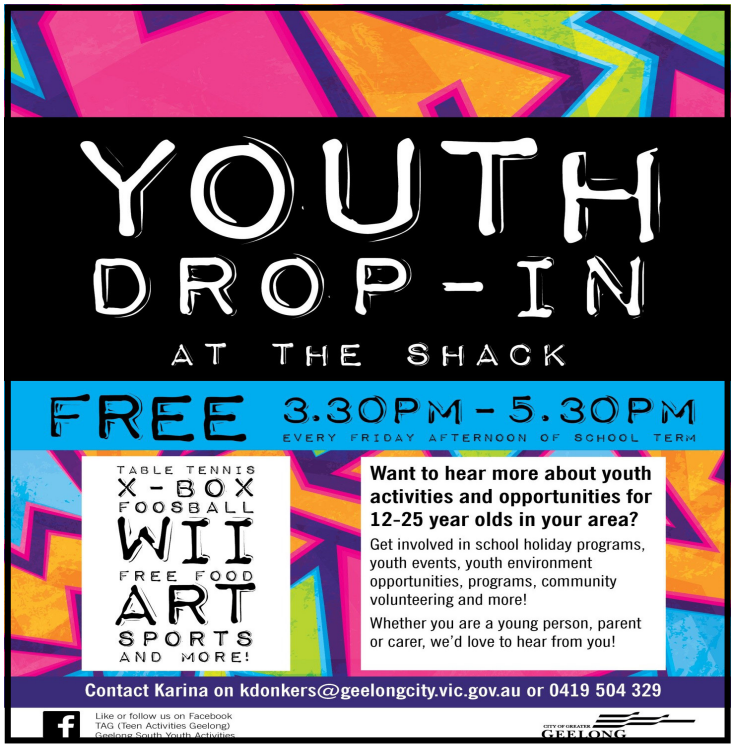
HEALTH ALERT

A case of Head Lice has been reported this week - affecting some Year 9 students. It is therefore vital to check your student and treat them if necessary. Although head lice do not carry or transmit disease, they can become a real nuisance because they are easily passed on from person to person. Head lice feed on blood from the scalp and can leave small scabs on the head. These scabs become itchy and continual scratching can lead to infection and skin problems. Left untreated the condition is very uncomfortable and irritating.

The City of Greater Geelong no longer provides District Nurses to do head lice checks. It is important that all families check for and treat head lice problems promptly and notify the school immediately. This information is completely confidential.

A pamphlet on "Treating and Controlling Head Lice," supplied by the Human Services Department is available and information is on the Internet at www.health.vic.gov.au/headlice/ or by telephoning 1300 651 160.



PLEASE NOTE: YOUTH DROP IN IS CHANGING FROM FRIDAY TO THURSDAY AFTERNOONS IN 2017!

VICTORIAN GOVERNMENT
CAMPS, SPORTS & EXCURSIONS FUND (CSEF)
BE QUICK
APPLICATIONS DUE AT SCHOOL BY 3RD MARCH 2017

THE EDUCATION STATE

FINANCIAL ASSISTANCE
INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- $125 for primary school students
- $225 for secondary school students.

HOW TO APPLY

Contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef

MORE INFORMATION

For the CSEF application closing dates and more information about the fund visit www.education.vic.gov.au/csef

VICTORIA State Government

To be eligible for the funding, a Parent or Legal Guardian of a student attending a registered Government or non-Government Victorian Primary or Secondary School must:

On the first day of Term One, or;

On the first day of Term Two:

A) Be an eligible beneficiary within the meaning of the State Concessions Act 2004, that is, be the holder of a Veterans Affairs Gold Card or be an eligible Centrelink Health Care Card (HCC) or Pensioner Concession Card (PCC) holder, OR

B) Be a temporary foster parent, and

C) Submit an application to the school by the due date.

Application forms should be completed and lodged with schools by **3rd March, 2017** as payments are made from march. A photocopy of your Health Care or Concession Card is required with your application. However schools will be able to accept and process applications up until the end of Term 2.
