PRINCIPAL’S REPORT

Strategic Plan
In 2014 the school undertook a school review conducted by independent consultant Peter Gannon. The report from Peter was very positive reflecting that Oberon High was a high performing school with the student body performing academically at above State average and improving at a rate above State average. As a result of completing the Review the school has been developing a strategic plan which is our improvement plan for the next four years (2015-2018). There are a number of goals that have been set to achieve over this time including:

- For each student to achieve at least one year’s growth in learning (as measured by AusVELS) during each school year.
- That NAPLAN Relative Growth scores measuring learning gain from Year 7 to Year 9 will be at or above the state means for the medium and high growth categories on each dimension.
- That when comparing matched cohorts of students from Year 7 to Year 9, the percentage of students in the top two NAPLAN bands in Year 9 will match or exceed the percentage of students in the top two NAPLAN bands when the same cohort of students was in Year 7.
- That when comparing matched cohorts of students from Year 9 to Year 7, the percentage of students in the lower two bands will not increase.
- That there will be an improved correlation between teacher and NAPLAN assessments.
- That VCE results reflect NAPLAN scores achieved by students when they were in Year 9

To support staff to further develop their teaching strategies and for students from all ability levels to improve at the expected rates, staff will continue to participate in an ongoing professional learning program at the school and participate in regular classroom observations including receiving specific feedback. These have been successful strategies for the school for the past two years and will be strategies that we will continue to prioritise.

House Swimming

Congratulations to Cameron House who were announced at the General Assembly on Thursday 26th February as the 2015 House Swimming Champions. Cameron narrowly defeated Greeves, with Lipson third and Thomson House in fourth place.

At the Assembly the following students were recognised as being Age Group Champions. Well done to the following students:

- Erin Jamieson – 20 Years Female
- Cody Holman – 20 Years Male
- Kayla Wastell – 17 Years Female
- James Winter – 17 Years Male
- Isabelle Black – 16 Years Female

- That there will be an improved correlation between teacher and NAPLAN assessments.
- That VCE results reflect NAPLAN scores achieved by students when they were in Year 9

Swimming Sports

Well done to the seventy students that represented the school at the recent Interschool Swimming Sports. Oberon High finished fourth overall. A number of students have qualified to participate in the next round of the swimming and I wish them well. A big thank you to Mr Neal, Mrs Fisher and Mrs Jimmink-Scott who organised the swimming team; your efforts were most appreciated.

Athletic Sports

A reminder that the House Athletic Sports will be conducted on Tuesday 17th March at Landy Field. This is a whole school event and all students are expected to attend. I encourage parents to drop in over the day to support your children.

School Council

The ballot for the parent representatives on School Council closed today (Friday 6th March at 4pm). I will inform the school community of the duly elected parent representatives. It is a great sign for the school that we have had so many parents wishing to put their hand up to be on School Council and make a difference to the school.

UBS Young Women’s Leadership Academy

Congratulations to Year 10 student Sinead Haisma who has been selected to attend the UBS Young Women’s Leadership Academy, which will be held at Sydney University from Monday, 13 April until Friday, 17 April this year.

The objective of the Academy is to introduce Year 11 students to a diverse group of contemporary women leaders demonstrate the possibilities and satisfaction of a career in business encourage leadership aspirations in young women provide leadership skills development

Year 7 Camp

The Year 7 Camp will be running from Wednesday 18th – Friday 20th March at Camp Wilkin, Anglesea. The camp is a wonderful opportunity for our Year 7 students to further develop their relationships with other students in their year level and with staff members.

Labour Day Public Holiday

A reminder that Monday 9th March is a Public Holiday and consequently the school is closed. I hope that everybody enjoys the long weekend

Thank you to those parents, guardians and students who have already responded to our call to write letters to our state government.

The feedback we have received is that those letters have made a good start for our case, particularly in relation to the bus issue. If you are required to pay for your bus travel to and from school, can I urge you to please take the time to write to your State Parliamentarian, requesting this unfair system is reviewed and rescinded? For us to make a case on this, we need as many letters as possible written to the government. There are other Secondary schools who are also starting a letter campaign, and with your help, we believe we can make a difference to this onerous and unfair charge upon families, especially in our situation where schools are located close together, and the other two schools are close to capacity with their student numbers.

Copies of the letter that was distributed recently are available at the General Office or can be emailed to you upon request; please contact the General Office or email the school: oberon.hs@education.vic.gov.au. You might like to copy and paste it, individualise it, write your own letter, but please take the time and send an email to your Local Member, and to James Merlino, the Education Minister. They are:

- lisa.neville@parliament.vic.gov.au
- christine.couzens@parliament.vic.gov.au
- andrew.katos@parliament.vic.gov.au
- james.merlino@parliament.vic.gov.au

Thank you for your attention – with your help we can get this changed.

Australian Defence Force (ADF) Recruiting Visit

We have arranged for representatives from Australian Defence Force Recruiting to visit the school on Thursday, 12th March for a 1 hour presentation between 9-30 and 10-30am. The session will be held in the Auditorium. The session is aimed at students in Years 10-11-12 who may be interested in, or just wanting to learn about the job, training, apprenticeship and further study opportunities available through the Australian Defence Forces (Army, Navy & Air Force). The presentation will cover – ADFA, Officer Training, Trades & Apprenticeship, Non-Technical Roles, One Year Roles and the Work Experience Program for students in VCE.

If your son or daughter would like to attend this session please ask them to see Mr Lynch in the Careers Room.

Construction Industry Induction Training (White Card)

If you are in Year 10, 11 or 12 and are contemplating a Work Experience Placement; VCAL Work Placement or permanent or part time employment in the Construction Industry as either a Carpenter, Cabinet Maker, Bricklayer, Painter/Decorator, Plumber, Electrician, Landscaper or General Labourer then you must hold a ‘Work Safe in the Construction Industry’ card (also referred to as the ‘Construction Industry Induction Card’ or ‘White Card’).

The school cannot legally organise for you any work experience program or work placement on a building or related site if you do not have this card.

Students undertaking a VET course in ‘Building & Construction’ and related fields often complete the requirements for this card as part of their Occupational Health & Safety (OH&S) competency early in their program.

Once again, this year the school has arranged for a trainer from the CFMEU to come to the school to conduct this training program for our students. The anticipated cost will be about $60.00 per student. The same program offered by some other training providers early this year was $125-00.

The dates for this training are Tuesday, April 21 and Tuesday, April 28 between 8-45am and 3-30pm (only one day is required).

If your son or daughter wishes to undertake this program please ask them to see Mr Lynch in the Careers Room by Wednesday, March 25th to record their interest.

This will be the only opportunity students at Oberon will have for the year to do this training and gain this certificate, it should be undertaken by any student wanting to do, or are thinking they might do a work experience or work placement during the year on a building site, or they are intending to try and obtain some permanent or part time work on a building/construction site (labouring).

This training is a legal requirement under OH&S and any employer taking a student onto a building site without the student having completed this OH&S Construction Industry training (regardless of their relationship with the student) could be leaving themself legally liable if an injury is sustained.

Many of McHarry’s school buses are fitted with seat belts. Seatbelts are fitted to improve passenger safety. They reduce the risk of serious injury if there is an accident.

It is a legal requirement for a bus passenger to wear a seat belt where there is one fitted. The law states that it is the responsibility of the individual passenger to wear it. It is important that all students are aware of the requirement that seat belts must be worn where provided.

### MESSAGE FROM MCHARRY’S BUSLINES

**THE IMPORTANCE OF WEARING SEAT BELTS ON BUSES**

On Thursday the 19th of February we held our Annual Swimming Carnival at Kardinia Pool. This year we were blessed with exceptional weather and everyone enjoyed a great day. The participation level of the students was fantastic and the competition was close. The final results were as follows:

- Cameron: 682
- Greeves: 674
- Lipson: 585
- Thomson: 534

Well done to all who participated, and special congratulations to the age group champions for 2015, pictured below.

### STUDENT ACHIEVEMENT

Congratulations to George Polley of Year 10 on his achievements as a representative of Geelong Baycats Baseball Club. On 1st March George played in a Grand Final game for the Baseball Victoria Summer League - First Division - Thirds, the 3rd highest team in the competition. George has been playing on this team and on the First Division - Fourths team all season. In George’s last game with the Fourths he managed to hit his first “Senior Game - Home Run” - over the fence! And yesterday George’s Thirds team won the Grand Final, his first Senior Game Grand Final win.

### WORLDS GREATEST SHAVE - SHAVE 4 A CURE

Our first Whole School Community Service Activity for 2015 will be fundraising for the Leukaemia Foundation to help raise money to continue research into finding a cure for Cancer and to help provide support for those people suffering from Cancer. The students enrolled in the Year 7 Enhancement Program are planning, organising and hosting the day.

Shave 4 A Cure will be happening on **Wednesday 25th March**. This will be a casual dress day (gold coin donation please) with entertainment, BBQ lunch and cold drinks sold at lunchtime (Students will be advised of prices closer to the event.) We will also be running an Easter Raffle to be drawn on this day and other activities in the preceding week.

Via the Student Bulletin I have asked that students who are passionate about supporting this fundraising event and would like to have their hair shaved to please see me in Staffroom 1. Of course students will need to have parent permission to participate and if they are not brave enough (or not allowed) to shave then sponsoring other students is the best way to be involved. Last year we raised a staggering $3,919.60 so let’s go one better this year. Please note that qualified hairdressers are responsible for the hair shaving (number 1).

Any questions or to collect a permission form please see Carole Fisher in Staffroom 1 or contact me on 52 434444.

Donations of chocolates, easter eggs or other suitable treats would be greatly appreciated for the raffle hampers. These can be left at the Office or directly to Ms Fisher.

Thank you on behalf of G7 Enhancement class.

LANGUAGES FILM FESTIVAL COMING TO OBERON!

On Wednesday 11th March at lunchtime the first film, in Indonesian, will screen in the auditorium. During the last week of term a Japanese film will screen and during week 2 of Term 2, students will be able to watch a German film.

INDONESIAN YEAR 10 RESTAURANT ROLE PLAYS

Year 10 Indonesian students recently enjoyed a Restaurant Role Play activity. The photos below demonstrate the fun that was had by the students.

AUTOBAHN PROJECT

Students in Years 7 & 8 learning German attended an interactive game on Monday organised by an international guest, Jan Quilitzsch from Finland. Jan was assisted by the German Advisor, Eva Schwemmer, and an assistant, Nina, from the Goethe-Institut. 110 students from Oberon and North Geelong SC participated in the 16 workstations located in the gym. Thank you to Timo, Ferdinand, Lachie and Noah for also assisting. Feedback indicates that all involved were highly motivated and engaged. High points were scored and many completed the passport tasks. During the afternoon students from Geelong HS and Geelong Lutheran College attended.

EXCHANGES TO GERMANY AND SISTER SCHOOL TRIP

See the previous newsletter or contact Frau Ray for additional information about hosting a SAGSE student and the BJR exchange program.

An information evening for our next Sister School trip will be held at 7pm at Oberon HS on Monday 16th March.

**YEAR 12 GUEST SPEAKER**

Year 12 students and their parents/guardians recently attended a presentation in the Library by Bob Hillman the Chief English Assessor at the Victorian Curriculum and Assessment Authority. Bob is a wonderful speaker and motivator and our Year 12 students were able to gain some valuable tips on achieving their best during their final year at Secondary School.

**YEAR 10 PRESENTATION**

Oberon High School was fortunate to have Barry Heard, award winning Author and Vietnam Veteran, visit our school on March 5th to talk to our students. His presentation was both compelling and though provoking and has generated much valuable discussion. I am sure the students will also produce some terrific perspectives in the coming weeks.

Barry asked to especially pass on his thanks to his most respectful and attentive audience. He wanted parents to know how impressed he was with the Year 10 students; their maturity and great respect.

Many thanks

Deidre Pike

We would like to notify any prospective footballers that registration for 2015 has now opened online for U10’s, U12’s, U14’s and U16’s. We would like to invite you to our Membership/information night on Wednesday 11th March at McDonald Reserve on Reynolds Road, Belmont, commencing at 5.00 pm until 7.00 pm.

Some age groups will start training the week prior to info night, please see below for details. At this stage we will have several teams in each age group. One of South Barwon’s key goals is to provide for all levels and will always be able to place your child in a suitable team.

To register online go to www.foxsportingpuzzle.com
For those at Auskick age, you can register with South Barwon Auskick by going to www.aflauskick.com.au for more information and to register online. Also keep an eye on school newsletters a little later in the year for more information.

FEES ARE EXPECTED TO BE PAID ON REGISTRATION
U/10 & U/12 - $150
U/14 & U/16 - $200

Training Starts:
U10’s 4.30 till 5.45pm Wednesday 11th March
