

YEAR 10 OUTDOOR EDUCATION

Subject DESCRIPTION:

This unit explores a range of areas of study including:

- Skills
- Technology and Equipment
- Local sites/clubs
- Looking after the environment
- There is an environmental focus throughout this unit

POSSIBLE ACTIVITIES:

Surfing / Lifesaving, Canoeing, Sailing – 2 days at sailing school, Fishing, Rock climbing, Mountain biking, Orienteering, etc.

Equipment, Cost and Text:

There is no text book, however students will require an exercise book.

Weekly scheduled excursions are associated with this unit. (3 periods theory/2 periods prac)

Cost for this unit: \$200

Special Comments:

This unit would suit students wanting to try a range of outdoor pursuits (they must enjoy aquatic activities)

This unit provides a good introduction to some of the concepts studied in VCE Outdoor & Environmental Studies
