

YEAR 10 HISTORY

What do you get if you mix handful of Heroes, a bag of bad guys, a legion of legends and just a smattering mystery? Year 10 History!

What do students do? This unit focuses on key historical mysteries, historical figures and their impact on the course of world history with a particular focus on the Twentieth Century. Students consult a range of information to develop their own conclusions on individuals and historical events.

YouTube style short films, Socratic seminars, Individual research projects, empathy writing tasks, essays and a history mystery presentation are all included in this 'long-time' ☺ favourite at Oberon.

What do students learn?
